1. Luxury Stay

4th Night on Us – Book 4 (four) consecutive nights or more at a range of hotels with Luxury Escapes and receive a credit back for one night. Cap and T&Cs apply.

Benefit

By using the promo code “PRESTIGE4N”, you will receive a credit for one night (up to \$1,000) when you book four (4), or more, consecutive nights of accommodation on the Luxury Escapes website luxuryescapes.com/au (excluding certain fees, taxes and additional charges) with your MyCard Prestige Credit Card. This benefit cannot be used in conjunction with other offers/benefits. 4th Night on Us benefit is valid on all accommodation deals on luxuryescapes.com/au. The benefit is capped at four (4) redemptions in a calendar year, up to \$1,000 credit per redemption. The benefit is calculated by taking the total price of the accommodation booked divided by the number of nights e.g. if you pay \$4,000 for 4 nights' accommodation, the credit value will be \$1,000. However, if the total booking for four (4) nights is \$5,000, the average nightly room rate is \$1,250 and you will only receive a credit of \$1,000 as the benefit is capped at \$1,000 per booking.

You will be charged the full nights booking (and any additional products purchased e.g. flights, insurance etc.) and receive a credit for the average night rate. Please note that you should receive the credit in your account usually within 14 days of Luxury Escapes receiving full payment for your booking.

The goods and services described are provided by third party merchants' network of hotels.
